Directions to the San Dieguito Lagoon Boardwalk & Trail

WEEKENDS

- You can park at the **City of Del Mar Public Works Building**, located **west of Jimmy Durante Drive** just south of the bridge that goes over the San Dieguito River channel.
- The drive way to the **Public Works Building is just north** (toward the fairgrounds) of the intersection of Jimmy Durante Drive and San Dieguito Drive, which heads east from the intersection.
- The best way to get to the Lagoon Boardwalk is to **cross to the east at the Jimmy Durante Drive/San Dieguito Drive intersection and head north on the sidewalk, across the bridge to the boardwalk** which is easily visible to the east on the north bank of the river channel.
- **Address for the Public Works Department:**
2240 Jimmy Durante Boulevard
Del Mar, California 92014

WEEK DAYS

Currently, accessing the Boardwalk during the week from a parking area involves one of the following: the Del Mar Fairgrounds being open to non-event parking; a hike from east of I-5, using the trail: or along San Dieguito Road from the Grand Avenue Bridge.

Options:

1. *Sometimes* the Del Mar Fair Grounds parking lot has open-access. If so, park toward the south (toward Del Mar end) and cross Jimmy Durante Drive using the cross-walk.
2. The San Dieguito Lagoon Trail is open from **San Andres Drive, off Via de la Valle Drive east of the Albertson's shopping center, under I-5, to the Boardwalk** – at least a 15 to 20-minute hike; **parking on San Andres** is available.
3. There **is a small amount of parking** at the **Old Grand Avenue Bridge**, which can be reached by going **east on San Dieguito Drive off Jimmy Durante Drive**. It is easily visible to the left on the Lagoon about a quarter-mile east. Go back to Jimmy Durante Drive; cross the bridge; Boardwalk is east along the River channel.
